

## Already Dead

I wish I were dead I wish I were dead I wish I were dead  
So you say So you say So you say  
How old are you?

One could say  
He lived out his eighty-some years longing for death

Could that be considered an accomplishment  
living his life out  
with so very much  
of such longing?

And what does it matter  
if it is or not  
if no one cares?  
For no one truly does care  
do they?  
How could they?

But perhaps God does  
or Dharma  
or Karma

I wish I were dead I wish I were dead I wish I were dead  
So you say So you say So you say
