

All the Wealth in the World

Knowledge, Spiritual Wisdom, Eternal Truth
The appreciation of That Which Truly Matters

Access to a few Significant Others who possess the Same
And then, when the time is right in this life or next

The Conjoint Creation of One's Own Motherland
Garden of Eden, Natural, All Giving, Earthly Paradise

And the Joy for all from its Contemplation
Living as We Were Truly Meant To

What more could One Ever Need?
